So about 15cm then, right?
What about your bangs?
Ah, those too...
But I'd like them a bit long...
Did she just get dumped?
No, she'd cut more hair if she did.
This is a pretty big image change though.
T... that's right!
I want to... change my image...

The start is always the most important part.
The first week at school decides everything...
どよーーん...
A week is nothing big~
It's huge, Mom...

Like picking seats, getting to know the people around me, finding a group of friends, looking at clubs, getting to know the teachers, etc...
I'm gonna miss out on so much stuff...
it'll be like I'm just some transfer student...
If I don't get to go until all that's over,
I won't be able to talk to anyone after they've all made their groups.
This is way too much for me...

I was hoping it'd work out for her, too.
If only she weren't so sensitive to the emotions of the people around her...
